Trasporto scolastico: scatta lo sciopero dei lavoratori contro la “Ago Uno”

Oggi la protesta dei lavoratori

FIUGGI

TONINORICCI

■ Ci risiamo. Eccoci ancora una volta chiamati a raccontare il dramma di una quindicina di lavoratori della ditta “Ago Uno srl” che a Fiuggi gestisce i servizi scuolabus e trasporto urbano, costretti oggi ad astenersi dal lavoro attraverso l’istituto contrattuale dello sciopero proclamato dalla Faisa **Cisal** per la durata di tutte e 24 ore per protestare contro «I ritardi nella erogazione delle retribuzioni. Versamenti Inps effettuati in forma impropria e mancati versamenti ai fondi complementari; disparità nei pagamenti nei diversi siti produttivi; mancata fruizione dei riposi compensativi conseguenti allo svolgimento dei turni domenicali; assenza di risposte alle richieste di acconti in favore dei lavoratori a fronte di impellenti necessità familiari».

Uno stillicidio che va avanti ormai da mesi sotto al quale a tutt’oggi non si riesce ancora a scrivere la parola fine, nonostante la mediazione ed i recenti richiami anche del comune di Fiuggi, che il servizio ha affidato alla “Ago Uno srl” invitandola più volte a farsi carico del rischi d’impresa relativamente ai tempi e modalità di pagamento dell’ente pubblico, notoriamente in serie difficoltà con la liquidità di cassa. Come sempre in questi casi però ad uscirne con le ossa rotte sono sempre e soltanto i lavoratori. ●

Castelli, sciopera il trasporto pubblico: stop a 30 linee bus, 200 corse a rischio

L'AVVISO

Lavoratori del trasporto pubblico locale in sciopero, oggi, nei comuni di Albano, Ariccia, Genzano, Lanuvio e Nemi per l'astensione dal lavoro di 24 ore proclamata dalla Faisa **Cisal** e dalle Filt Cgil a sostegno di una vertenza che si trascina ormai da aprile. Il servizio sarà interrotto dalle 8,30 alle 17 e dalle 20 alle 22 creando non pochi pro-

blemi agli utenti delle oltre 30 linee e delle circa 200 corse che, oltre a collegare il vasto territorio con il centro delle città, servono anche il Nuovo ospedale dei Castelli e la periferia di Ariccia. Sono previsti disagi anche per chi utilizza i mezzi proprio. Rischio ingorghi sulle principali strade di collegamento: via dei Laghi, via Nettunense, via del Mare e la provinciale via Nomentana.

I BUS URBANI

Amtab, oggi sciopero per tutta la giornata

■ Oggi sciopero di 24 ore fino a mezzanotte del personale dell'Amtab, l'Azienda di trasporto urbano. Bus garantiti, annuncia l'Azienda, solo «nel rispetto delle fasce di garanzia (5.30-8.30 e 12.30-15.30) come previsto dagli accordi e dalla normativa». Lo sciopero è stato proclamato da Filt Cgil, Fit Cisl, Uil trasporti, Ugl, Faisa **Cisal**, Cisas, Confail e Cildi per motivazioni, scrive l'azienda, «inerenti a buoni pasto, sicurezza del personale, viabilità e sinistri, officina e manutenzione». Ulteriori informazioni circa l'astensione potranno essere richieste agli Operatori del Numero Verde 800450444.
